It is not necessary to return pages for services you did not order. A check list of order forms is provided on the next page to assist you with your order.

PAYMENT POLICIES AND CREDIT CARD AUTHORIZATION

All Exhibitors or third parties responsible for payment for services ordered must complete this section. A credit card authorization must be on file with Teamwork Event Specialists prior to move-in to cover any additional charges incurred at show site. Orders will not be processed without this information.

Early order discounts are available to all exhibitors who place their orders prior to the discount deadline shown on the order form.

- ❖ Orders cancelled prior to move-in will be refunded at 100%. Cancellations after move-in begins are invoiced at 100% of original price.
- ❖ No adjustments will be made after the close of the show.

BOOTH FURNISHINGS AND SERVICES

- ❖ Rental items not ordered, yet found in booths, are invoiced at "Standard-Floor" pricing.
- ❖ All prices are in U.S. dollars (\$).
- ❖ All rental items are subject to applicable taxes.
- ❖ All rental items remain the property of TEAMWORK Event Specialists.

MATERIAL HANDLING AND LABOR

Exhibitors are required to follow local labor jurisdictions. Most trade show labor is unionized, and therefore, Teamwork is required to go through the local unions for labor used for show set up, dismantle and drayage.

Drayage, or material handling, is the movement of show materials from the shipping dock to you booth for show set up and from your booth back to dock for return shipment at the end of the show.

ORDER RECAP AND CONFIRMATION

The Order Recap Form gives you the opportunity to double-check your order - proactive planning can save you valuable time and money on the show floor.

Our Exhibitor Service Representatives will gladly confirm your order – be sure to complete the Order Confirmation Request Form and return it to Teamwork Event Specialists along with your order.

Delivery of your bills of lading to Teamwork Event Specialists does not signify that Teamwork Event Specialists has assumed responsibility for your shipments. Whenever possible, a member of your staff should remain with your shipment until it is actually picked up for removal from the loading dock, at which time the trucker assumes responsibility for your merchandise. In every case, be sure to turn in your bills of lading to the Exhibitor Service Desk. Do not leave bills of lading in your booth.

The information below is an outline of the most commonly asked questions regarding freight handling, often referred to as drayage. This can be the most costly part of exhibiting at conventions. We will try to explain what drayage is and how rates are established, which will help you save money by avoiding unnecessary surcharges.

What is "Freight Handling/Drayage"? - The term drayage is the moving of exhibit materials from one location to another. Whether you ship to Teamwork's warehouse or directly to show site, your materials still need to get to your booth location. Drayage services include the accepting of your material either at our warehouse or on show site, delivery to your booth, storage of empty containers during the show, returning empty containers at the close of the show, picking up your packaged materials, returning them to the dock and loading on the carrier of your choice.

Can I carry my own materials to my booth? - Any exhibitor may bring in his own materials providing that they can be hand carried by one person in one trip, without the use of dollies, hand trucks or any other equipment. If you choose to hand carry your exhibit you would not be permitted access to the loading dock area.

How are rates determined? - Drayage charges are based on a number of factors including Union labor rates, facility dock access, and the show schedule, to name just a few. Teamwork Event Specialists is a Union company. And therefore must use Union labor to move freight. These rates can vary from city to city.

Tips on how you can save money - Read the Freight Handling section of your service kit carefully. Be aware of any surcharges that may be assessed for special handling or late shipments. Pay special attention to deadline dates. If you ship in advance to our warehouse and your shipment arrives after the published deadline date, you may be assessed a surcharge. Crated materials are the easiest to unload, therefore, have the least expensive drayage charge. Loose, pad wrapped and uncrated materials require more labor time and therefore may be assessed a special handling fee. It may be cost effective for you to build crates for any portion of your exhibit that is not crated.

How is the weight of my shipment determined? All drivers should attain certified weight tickets for materials prior to arriving at the dock either at the warehouse or at show site. TEAMWORK Event Specialists reserves the right to determine weights for all shipments for which weight tickets are not provided at the time of delivery. In cases where Teamwork Event Specialists weighs the shipment, the exhibitor will be charged for double handling.

Small shipments versus large shipments. - Most all Service Contractors have a minimum of 200 lbs. per shipment. It is best to send your freight as one large shipment versus several small shipments. For instance, if you send one 45 lb. and one 55 lb. package separately, you are charged the minimum on each shipment. If you are planning to ship items from various locations you may want to ship them all to a central location then forward them to the Service Contractor's warehouse and/or show site. If you ship your materials in one shipment and the carrier makes multiple deliveries to Teamwork, you will be charged for each delivery to our dock, regardless of whether or not the materials were shipped together as one shipment.

Advance shipments versus show site shipments. - In general it is best to ship your materials in advance to the "advance shipment" address. The charge for this may be slightly higher than shipping direct to show site but the benefit far outweighs the cost. You can (and should) confirm that we have received your materials well in advance of the show installation. If there is a problem it can be solved prior to the show. When shipping direct, if there is a problem there is seldom time to solve the problem prior to show opening.

Another advantage to advance shipments is that your materials will be in your booth when you arrive and you can begin installation immediately, thus saving you time and frustration at show site.

Should I insure my exhibit? - The answer is YES! It is your responsibility to make sure your freight is insured from the time that it leaves your office until it returns. A rider to your existing policy can usually do this. Check with your insurance carrier for details.

Two of the most expensive mistakes made by exhibitors are: 1) shipping materials in several shipments, or 2) shipping via UPS or similar carriers that split a single shipment into several deliveries to our dock. Both can be very costly. Remember, each delivery incurs a minimum charge.

Always be aware of freight receiving deadlines. You will be assessed a late charge if your shipment arrives after the deadline date. Inform your shipper that all items must arrive prior to a specific date.

Always ship your materials crated – Loose or pad wrapped items are assessed special handling fees.

Make sure all materials are labeled properly to avoid any delivery delays. All pieces should have the recipient's name and address, the show name, your company name, and your booth number. Remove old labels after every show to avoid any future confusion. If you are shipping multiple pieces, label them as such: 1 of 4; 2 of 4; 3 of 4; 4 of 4, etc. We hope this helps you in budgeting for your material handling cost.

The unpacking, installation, assembling, dismantling, and packing of displays and equipment must be done by the correct type of Union labor. Teamwork Event Specialists, the official contractor, will have skilled craftsmen available to assist Exhibitors. Arrangement for labor should be made through Teamwork Event Specialists, in advance whenever possible. Official labor forms are included in this Exhibitor Service Manual.

Exceptions to the foregoing will be considered only in cases where permission has been requested in writing by the Exhibitor and received by Teamwork Event Specialists no later than **Friday, April 13, 2007**. An exception will not be granted if it is inconsistent with the commitments made and obligations assumed by Management in any contract with service contractors of its lease with the **Hyatt Regency Santa Clara**. All agents or representatives who are performing services other than the Exhibitor's own employees must provide Teamwork Event Specialists with **Certificates of Insurance naming Teamwork Event Specialists, the Communications Developer Conference 2007 as additional insured's** at the time that a request for an exception is made. These Certificates of Insurance must include public liability and property damage insurance for at least \$1,000,000, and workmen's compensation insurance in accordance with local law.

EXHIBITOR SAFETY & SECURITY

TEAMWORK

28 Main Street, Building 8
North Easton, MA 02356
P. (508) 230-0397 F. (508)-230-5714

EXHIBITOR SAFETY

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Teamwork Event Specialists cannot be responsible for injuries, falls or damage caused by the improper use of rental furniture or equipment. If assistance is required in assembling your booth, please order labor on the Teamwork Order Form and the necessary ladders and tools will be provided. Please assist in our efforts to provide a SAFE WORKING ENVIRONMENT for everyone.

All exhibitors must set up their displays within their booth boundaries. Booths extending into the aisle are subject to fire marshal jurisdiction and an exhibitor may be fined for aisle encroachment. The booth sizes stated are outside measurements. Allow a six inch leeway when installing hardwall displays.

Any person involved in moving equipment, supplies, or goods into or out of the facility is prohibited from consuming alcohol or being under the influence of alcohol.

Booth construction must conform to applicable building codes including electrical, plumbing etc. All work carried out on booths on-site must conform to facility regulations. Please contact the event's On-Site Safety Representative through your Show Manager for further information.

In the event of an emergency evacuation, security staff will help direct you to the nearest emergency exit, so be sure to familiarize yourself with the layout of the facility.

Use extreme caution if you are in show areas where forklifts and vehicle traffic are operating during move-in and move-out.

EXHIBITOR SECURITY

- Do not assume the exhibit hall is secure. Each exhibitor must take responsibility for the security of all the items in his or her booth. Teamwork Event Specialist, Show Management, facility personnel and the security contractor try to guard against theft and damage, but the ultimate burden falls on the exhibitor. Move-in and move-out are particularly vulnerable times. Be sure to carefully safeguard your exhibit materials.
- Do not list the contents of crates and cartons on your shipping labels. A label that reads "27" color monitor" is an open invitation for thieves.
- Never display "one-of-a-kind" items or irreplaceable samples unless someone is present at all times to keep an eye on them. For example, plasma screens are a high theft item. Teamwork strongly recommends that you insure plasma screens, as **NO** liability for theft is assumed by show management, the facility or Teamwork Event Specialists. We also recommend that the shipping containers are not marked 'PLASMA SCREEN'.
- Do not leave your booth unattended during the hectic and heavily populated move-in and move-out times.
- Consider covering your exhibit with some sort of cloth at the close of each day. The psychological deterrent makes it more difficult for people to handle merchandise. Criminals often look for the easy mark first.
- Business tools such as laptop computers, recorders, calculators, and give-away items are the things most often stolen. They should be guarded and stored safely at night.
- Thieves will also take personal items such as purses, suit coats, and toolboxes. Do not leave personal items unprotected in your booth.
- Never store items in containers marked "Empty".
- Show management provides a 24-hour security system to prevent entry to the exhibit area by anyone not authorized. This security service does not guarantee exhibitors against loss. Nor does it imply an assumption of liability for an exhibitor's property by Teamwork Event Specialists, Show Management, or their agents.
- **INSURE YOUR BOOTH!** Your exhibit materials should be insured from the time they leave your facility until the time they return. Consult with your insurance agency about adding a rider to your existing policy.

MOVE-OUT INFORMATION

TEAMWORK
28 Main Street, Building 8
North Easton, MA 02356
P. (508) 230-0397 F. (508)-230-5714

To increase the efficiency of exhibitor move-out, Teamwork Event Specialists has instituted the following Move-Out Schedule for this show.

Thursday, May 17, 2007 at 4:00 PM - 7:00 PM – Exhibitor Move-Out officially begins.

Exhibitors may begin to dismantle their booths at this time. Immediately after the close of the show, we will begin removing aisle carpet and returning empty containers. You can help us with this process by keeping the aisles clear during this time. If you have ordered labor to dismantle your booth, be sure to confirm the start time of your workers by checking with the Teamwork Service Center.

Thursday, May 17, 2007 at 4:00 PM – Deadline for driver check-in.

Exhibitors who wish to ship materials by any carrier other than the official carriers should advise their carrier(s) to be checked in with the Teamwork Dock Supervisor by **4:00 PM**. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Teamwork Service Center. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in at the loading dock by **4:00 PM**, Teamwork Event Specialists reserves the right to re-route the shipment via the official show carrier as necessary. Neither Teamwork nor Show Management assumes any liability as a result of such re-routing.

Thursday, May 17, 2007 at 7:00 PM – Exhibits packed and Bills of Lading turned in to TEAMWORK.

All Bills of Lading must be turned in to the Teamwork Service Center to be validated. Do not leave Bill of Lading in your booth, and do not turn in your Bill of Lading until your shipment is packed and ready to be loaded. Bills of Lading and additional labels will be available at the Teamwork Service Center at your convenience. No Bills of Lading will be issued until your balance is paid in full.

Delivery of your bills of lading to Teamwork Event Specialists does not signify that Teamwork Event Specialists has assumed responsibility for your shipments. Whenever possible, a member of your staff should remain with your shipment until it is actually picked up for removal from the loading dock, at which time the trucker assumes responsibility for your merchandise. In every case, be sure to turn in your bills of lading to the Exhibitor Service Desk. Do not leave bills of lading in your booth.

Final Payments

For your convenience, any show site balances or charges for outbound labor, freight or miscellaneous items not paid before show closing will be charged to your credit card at the close of the show. Be sure to pick up and review your statement of charges at the Teamwork Service Center prior to move-out. Adjustments to your account will NOT be made beyond 45 days after show closing.

Thursday, May 17, 2007 at 7:00 PM. – Final clean up, Exhibitor Move-Out Ends.
