

Questionnaire:

2017 Workplace Excellence Award for Social Responsibility

Presented by TMCnet

Please complete and submit the application below to be considered for a 2017 TMCnet Workplace Excellence Award for Social Responsibility.

Social responsibility - the simple idea that businesses should balance profit-making activities with activities that benefit society, the environment, and the community. The International Organization for Standardization (ISO) emphasizes that the relationship to the society and environment is "a critical factor in their ability to continue to operate effectively. It is also increasingly being used as a measure of their overall performance."

Companies who can provide specific and measurable examples of programs that benefit society, the environment and their communities should apply for this award.

Your responses should describe specifically how your company drives high employee satisfaction and positive reputation through a commitment to socially responsible programs.

Please include in your final application document any photos, achievements, guides, etc. that support your written answers. Good luck.
