Milford Kiwanis Club Donates $4,600 for AED Purchase

MILFORD – Representatives from the Milford Kiwanis Club recently presented a check for $4,600 to the Milford Public Schools to be used for the purchase of three new Automated External Defibrillators. Dr. Elizabeth Feser was on hand to accept the donation on behalf of the school district. The AED units will be assigned to three school buildings in the upcoming school year. Milford Kiwanis chapter president Bill Richards, along with Club members David Kuehn and Mike Boyle, made the formal presentation.

"The good works connected with the Milford Kiwanis are well-known and far-reaching in our community. We thank them for their generosity," Dr. Feser commented.

The Milford Kiwanis Club is made up of approximately 50 local men and women who work to support many benevolent and charitable project across Milford. Some of the organizations the Milford Kiwanis Club has helped fund over the years include the Woodruff YMCA, the Milford Boys and Girls Club, and the Beth-El Shelter. The group also funds several college scholarships each year to graduating seniors intending to continue their education.

"We are happy to be able to assist and support the Milford Public School District in their pursuit of enhancing the health and safety of its students and staff," Richards commented. "And, further, we thank the citizenry of Milford and other nearby communities who continue to support the fundraising efforts of clubs like ours and all other benevolent and charitable organizations – so we may continue this important work."
