KEYWORDS

You choose industry and or company specific key words. We take these keywords and write clever content that will be the driving force of articles and blogs. You then reap the benefit of having powerful messaging on your website that people will expect to see daily; hence creating a hub of information for consumers. More consumers on your page=more visits, credibility and ultimately sales.

CONTENT MARKETING

90% of consumers find custom content useful.
87% Marketers used content marketing in 2012.
67% more leads per month are generated by b2b co's with blogs.
61% of consumers are more likely to buy from company with custom content.

CREATIVE TEAM

Your vision is clearly magnified, highlighted then enhanced to attract viewers and visitors. Our info graphics gives consumers a chance to see your thoughts come to life. Depending on your package our fully produced videos will enhance your image.

CLEAR MESSAGING

No one likes clutter, why should your message be unclear? Our experts make sure industry news that pertain to your service/product/company is at the fore-front of your message.
