Over the past 8 Years Pumpkins on the Pier has become a community staple event to kick off the fall in Milford, CT. Whether our guests are buying their family pumpkin, strolling the pier admiring the sponsors artwork, partaking in our many activities and games, or visiting a food truck, there is truly something for everyone at Pumpkins on the Pier. The event which benefits the Boys & Girl Club of Milford after school and summer programs draws thousands of attendees each year. With the addition of a Friday night Pumpkins Eve, the event continues to grow and develop into a weekend of fun for everyone.

Thanks to sponsors such as you over the past eight years, we have been able to raise much needed funding and awareness for the Boys & Girls Club of Milford. This growth has been integral to our program and ensuring our continued success in the Milford community. With your sponsorship you not only get positive exposure of your business to thousands of people, but you are also helping over 600 kids in your community have access to a fun, safe, and positive program during non-school hours.

Please join us in helping the Boys & Girls Club to create this wonderful event for our community, while creating hope and opportunity for our youth!

Thank you for all that you have done, and continue to do.

Sincerely,

Thom Bach, Armand Giorgio, and Peter Berube

PIER SECTION SPONSOR

INFO 2019

As a pier sponsor at this year's event you are entitled to 10 linear feet of space on the pier, 10 pumpkins to carve or decorate as you see fit, 3 hay-bales, cornstalks, and a sign designating your area and sponsorship commitment.

I wanted to share some basic instructions to help you with the logistics as you prepare your space and creations.

- ◆ **While I know most of you are eager to decorate your pumpkins and areas some of our sponsors would prefer to only make a donation and not decorate their areas and/or pumpkins if this is the case please circle that option on the sponsorship form. This will help us to determine how many pumpkins we have to pre-order without being wasteful.**
- ◆ If you are interested in decorating your section, your 10 Pumpkins will be available for Pick up at Glendale Farm, 203 Herbert St. Milford, CT 06461 on **Friday September 27 from 12-4pm and Saturday September 28th from 8am-12pm**
- ◆ If you think you are going to need more than the 10 pumpkins you are allotted please email me meganaltomare@boysandgirlsclubofmilford.com with the number of additional pumpkins you would like to purchase. Each additional pumpkin is \$8. **All additional pumpkin orders must be received by me no later Thursday September 26th.**
- ◆ Please note this years festival is a 2 day event! Pier Section Set up will be on Friday October 5th the first day of the festival. You will be able to drive up to the pier to drop off your pumpkins and/or set up your section. Set up time is going to be between 11am and 3pm. After 3pm we will no longer be allowing cars in the lot.
- ◆ When dropping off your pumpkins please make sure to check in with the staff at the pier, they will be at the pier all day and will be the main point of contact the day of the festival. When you drop off your pumpkins please indicate if you will be returning to pick them up Saturday evening.
- ◆ The festival will be over at 5pm on Saturday October 5th. If you are planning on picking up your pumpkins please do so between 4-5pm. Pumpkins not picked up by 5pm will be donated and or discarded.
- ◆ If you would like to donate your pumpkin to be auctioned off please let us know when you Drop Off your pumpkins. The Pumpkin Auction at 4:45pm on October 5th
